

Corporate Social Responsibility

Elisabeth Grieg 8. juni 2009

'CSR is a concept whereby companies integrate social and environmental concerns in their business operations and in their operations with their stakeholders on a voluntary basis.'

The Grieg Group Values:

Open, Solid, Proud and Committed

125 years!
GRIEG | THE GRIEG GROUP

Making a positive difference...

Environmentally friendly transport

Long-term perspective

Global Compact policy

Thank you for your attention
